RE: Calvin W. Braxton, Sr.

Dear Governor Edwards:

Enclosed is a copy of a letter we sent to you back on July 11, 2016 on behalf of the Louisiana State Troopers Association. We have not received any type of formal response to same.

I have been instructed to inquire of you as to whether or not you plan to proceed with specifications of charges against Mr. Braxton and have this matter set for public hearing?

Yours truly,

AVANT & FALCON
