Emergency Services at NRMC

For those in the community with Blue Cross and Blue Shield of Louisiana and HMO Louisiana, Inc., Natchitoches Regional Medical Center (NRMC) is pleased to be part of your network. From emergency rooms visits, to our clinics and the hospital, NRMC is committed to serving you and providing healthcare to you and your family.

“We understand that some people in our community have had questions about whether or not the Emergency Room physicians at NRMC are in network for Blue Cross and Blue Shield of Louisiana and HMO Louisiana, Inc.,” explained Kirk Soileau, Chief Executive Officer of NRMC. “While our hospital is managed by Christus Health, we are not owned by Christus Hospitals. So while the emergency medicine group at Christus Hospitals is currently out-of-network, NRMC’s emergency department physicians remain in network for families and individuals with Blue Cross and Blue Shield Louisiana and HMO Louisiana. We appreciate the opportunity to be a part of this network as do the emergency department physicians at NRMC.”
