Re: City of Natchitoches DWRLF Loan Application  
Water Treatment Plant Expansion and Renovations

Dear Mr. McKenzie:

This letter serves to indicate the City of Natchitoches's intention to remain on the Drinking Water Revolving Loan Fund Program's Comprehensive List in order to proceed with the financing of its drinking water infrastructure improvement project through the Office of Public Health's Drinking Water Revolving Loan Fund (DWRLF) program. This project is for improvements to the City of Natchitoches's potable water system, whose PWS ID No. is LA1069007. This project will allow for water treatment plant expansion and renovations.

It is estimated \$17,200,000.00 will be borrowed to complete this project. Estimated project target dates are as follows:

TASK	DATE
System Improvement Plan (SIP) & Environmental Review Check List submitted to OPH	November 2020
Begin Construction	April 2021

As per the requirements of the DWRLF Program, please find the following documents attached for your review:
