

FIFTY HAMS FOR DOLLY'S CELEBRATION OF LIFE!

Our friend, Baxter Thompson just dropped off two pounds of ham from Grayson's Bar-B-Q in Clarence, Louisiana. Whenever he drives up there, he calls to see if we want him to pick up something.

When he arrived he saw a lot of ham's on the counter. Mr. Grayson told Baxter that they got a call at 3:00 p.m. on Tuesday from Dolly Parton's nephew.

They want 50 ham's for his aunt's celebration of life, and they are sending a jet to Natchitoches to bring them back.

Grayson's has been working all night to complete the order.

Her nephew also said that in her will, Dolly wanted to give 1,000 hams to a 1,000 families for Thanksgiving and Christmas.

It was during the filming of Steel Magnolias that Dolly discovered the best ham in the world: in Clarence, six miles east of Natchitoches, Louisiana.
